Thompson Appointed to the Ephrata Area Education Foundation Board of Directors

Mark Thompson was recently appointed to the Ephrata Area Education Foundation Board of Directors. He received a unanimous approval vote at the September 11, 2015 Board meeting.

Thompson is the Deposit Services Manager at Ephrata National Bank where he has worked since 2013. He is also an active member of the Ephrata Area Chamber of Commerce and serves on the Special Events Committee.

"I believe I have been called to get more involved in the community and am committed to the mission of the Ephrata Area Education Foundation. I look forward to being an active Board member and adding value with innovative ideas and energy. Not only is this an opportunity to fulfill my passion for education, but it's an opportunity for me to grow professionally and learn from the great leaders that represent the Board," said Thompson.

Thompson is a graduate of Ephrata High School, received a Bachelor of Science degree in Business Administration / Finance from Shippensburg University, and is expected to graduate from the American Bankers Association School of Banking next year. His leadership skills and community involvement are also evident in his role as the Cocalico High School Head Junior Varsity Boys Soccer Coach.

"We welcome Mark as he joins the Ephrata Area Education Foundation Board of Directors. As an Ephrata High School graduate and active member of the Ephrata business community, Mark understands the importance of excellent educational opportunities for the students in our community," stated Dr. William Funk, Foundation President.
